**Hoyt Arboretum**

4000 Southwest Fairview Boulevard Portland, OR 97221

Each day, we hear more bad news, both at home and across the world—nuclear disasters, oil spills, floods, war, devastating natural disasters, climate change. How can we respond? In this experiential workshop, we will take time to cultivate a compassionate heart in the face of the suffering of our world, and learn how to best respond with contemplation, compassion and justice for the healing of our world. Facilitated by **Pam Wood** and **Lois Canright**. \$50 suggested donation, cash or checks only (no one turned away for lack of funds).

Sponsored by **Northwest Earth Institute** and **Great Turning Northwest**.

Space is limited, so register early! For more information or **to register**, call Pam at 503-708-9751 or go to [www.sacredgroundhealing.com](http://www.sacredgroundhealing.com)
